Clay Mines to Be Resumed About the Flo of March-Grand Rivers Real . Estate.

NEAR SMITHLAND

nithland, Ky., Feb. 6.—The St Louis, Nashville and Southern railway company filed articles of incorpora tion Monday in the office of County Clerk G. W. Lan !ram.

The corporation begins business at once, and it is to continue for a period of ninety-nine years. The "principal office and place of business is Salem, Ky. The capital stock of the concern is \$10,000, divided tuto shares of \$100 each. The following are the directors of the company: I. W. Newcomer, F. R. Briggs, M. S. Ingram, P. J. Miech, R. B. Jenkins. T. C. Willard and C. W. Diele. The object of the corporation is to build, own, possess control, maintain, and use the relirond hereafter to be built. It is to begin at Carreville, Livingston county, and run through the countie of Livingston, Lyon, Trigg and Chris tian to or near the town of Garretts burg in said last county, and from thence to a point on the Kentucky The length of the proposed road is ninety miles.

ent of the Kewaunce Fire Clay com pany, is in receipt of a letter from his firm stating that work in the clay mines will be resumed about the first only obstacle in way of the mines beto Grand Rivers, not only would fire

this place has secured a four months option from the owners of several hun dred town lots in Grad Rivers. In the There are said to be about 600 sell one or two lots, preferring to sell results financially." all in a bunch. There has been a steady demand for lots ever since it

parts the yield is large. Some years claimed that he could tell where any since Dr. Waller and Mr. Hewlet steamboat was at any time—provided sunk a well near this town, prospecting for minerals. At the depth of
150 feet they struck oil, which came
out on top of well and ran off on the
have no trouble "locating" it when waters of the creek. It smelled and he got ready for it. Thus far he has looked like coal oil. The drill got not called for it, but probably he hung in the rocks, and they abandoned hasn't needed it yet. The old "hoothe well. The hole in the ground is doo' was quite an uncanny character partially there now, and you can see in Mechanicsburg while he was there, the oil there yet, and it has the same and needless to say the colored people coal oil smell. Some years after said all feared him. He claimed he hyperent a company was organized at Panotized fith in order to catch them They employed a man from Pennsylvania to do the work for them. They ways got a big string of fish when
